

Library catalogue guide

Advanced Search

Find books, e-books, journals, e-journals, reports etc.

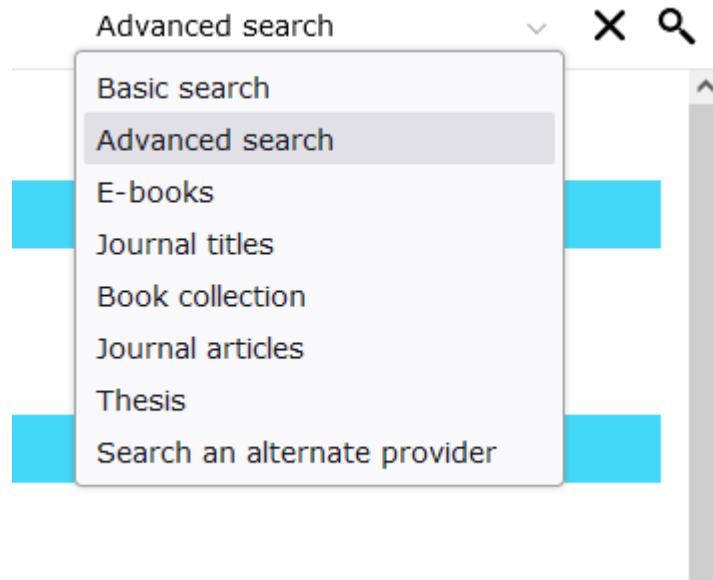

Access from the Library website <http://www.dentalhospital.ie/education/library/>. For some features of advanced searching, you will need to be logged in to the catalogue. You will be prompted for your Athens login to access e-books and e-journals where necessary.

Advanced search

Select “Advanced Search” from the drop-down menu

The screenshot displays the library website's search interface. At the top, there is a navigation bar with the hospital's name and a 'Test Student' button. Below this is a header image of book spines. The main search area features a search bar with the text 'Enter your search here ...' and a dropdown menu currently set to 'Advanced search'. Below the search bar, there are several sections: 'Search Type' with a 'Search Across' dropdown set to 'Find all words' and checkboxes for 'Documents' and 'Include Non-Physical Items'; 'Search Fields' with input boxes for 'Title ... enter here', 'Year From', 'Author ... enter here', 'Subject ... enter here', 'Publisher ... enter here', and 'Series ... enter here'; and 'Types' and 'Collections' dropdown menus. On the left side, there are links for 'Home', 'New to DDUH?', and 'DDUH LIBRARY LOGINS'. On the right side, there are 'RECENT PUBLICATIONS' and a 'Log out' button.

Search options

Enter your search terms into any fields you wish to search and click the search icon

A screenshot of a search form. At the top, the search term "dental caries" is entered in a blue box. To the right, the text "Advanced search" is displayed with a dropdown arrow, a close 'X' button, and a search magnifying glass icon circled in red. Below this is a "Search Type" section with a "Search Across:" dropdown set to "Find all words", and checkboxes for "Documents" (unchecked) and "Include Non-Physical Items" (checked). The "Search Fields" section contains input boxes for "Title ... enter here", "Year From", "Author ... enter here", "Subject ... enter here", "Publisher ... enter here", and "Series ... enter here", each with an "ABC" icon. At the bottom, there are two dropdown menus: "Types" (with options: All, Article, Audiobook, Book) and "Collections" (with options: All, Archive Books, Archive Journals, Audio-Visual Collection). A red arrow points from the text box above to the search icon.

Search tools

Choose to search across any of the options here – defaults to “find all words”

The screenshot shows a search interface for the query "dental caries". At the top right, it says "Advanced search" with a search icon. Below the search bar, there is a "Clear All" link. The interface is divided into sections: "Search Type" (highlighted in blue), "Search Across:" (with a dropdown menu open), "Documents" (checkbox), and "Include Non-Physical Items" (checkbox, checked). The "Search Fields" section (highlighted in blue) includes input fields for "Title ... enter here", "Year From", "Author ... enter here", "Subject ... enter here", "Publisher ... enter here", and "Series ... enter here". At the bottom, there are "Types" and "Collections" dropdown menus. The "Search Across:" dropdown menu is open, showing options: "Find all words" (selected), "Find best match", "Find any of the words", "Find the phrase", and "Find exact match".

Search tool definitions

- Find best match** Presents matches in the order of exact match, the phrase, all the words, any of the words.
- Find all words** Performs a Boolean “AND” search, looking for resources that contain all of the words specified, but not necessarily together.
- Find any of the words** Performs a Boolean “OR” search where at least one word out of several words in a search query will be in a resource.
- Find the phrase** Searches for resources that contain the specified terms in the specified order. It is the same as putting search terms into quotes (“”).
- Find exact match** Only displays records that are a 100% match for the entered search term. It will not display a result when the terms used are part of a larger title or subject etc.
